Miles

MARATHON DETOUR at 9:45am IN STANLEY PARK. At 9:45am in Stanley Park, runners are asked to move to the sidewalk for their safety as Park Drive is reopened to vehicular traffic. After exiting Pipeline Road, turn right (on the sidewalk) and through the underpass. Cross Park Drive to the sidewalk around Lost Lagoon as the course is moving SW against the regular direction/flow of vehicular traffic.

Shortly after Lost Lagoon, detour off of Park Drive and make a left into the park, across a small bridge followed by an immediate right. Participants will run part of the paved Stanley Park trail system, leading under Park Drive by Second Beach. Continue for another half km on the paved path next to Park Drive, east toward English Bay until it meets back with the road and continue along Beach Ave.

NOTE: This detour has been confirmed to be accurate and will not affect finishing times.

COURSE CERTIFICATION #CAN-2009-013 -BDC(IAAF)

May change pending City of Vancouver road construction, course measurement and certification.
